SUBIN TO RECEIVE "SURVIVOR" AWARD FOR PUBLIC SERVICE

Councilmember Michael Subin will be among the honorees at a September 20 gala at Washington D.C.'s Fairmont Hotel sponsored by the Institute for the Advancement of Multicultural and Minority Medicine.

The event, under the theme "Saluting Survivors...Promoting Life," honors distinguished individuals who have overcome severe medical challenges and made extraordinary contributions through service and education.

Councilmember Subin is a prostate cancer survivor and has spoken out about the need for all men, especially in minority communities, to get themselves tested for the disease.

Among the other honorees are former President Bill Clinton, entertainer James Brown, Senator and Mrs. John McCain and Black Enterprise Magazine publisher Earl Graves.
